THE DEVOE GROUP-WHO YOU WORK WITH MATTERS

Dear Homeowner,

I'm currently helping a nice family find a home on the Weehawken waterfront. I came across the listing for 11 Regency from a year ago and saw that it did not sell at that time.

I understand that you likely have a renter in place at the moment. However, my clients would be interested in making an offer with the lease in place.

If you are open to this option, i can present you with a purchase offer contract and pre-approval from our preferred lender.

Thank you in advance!

Sincerely,

Steven Rosado
